Sex M | Date of birth 03/11/1958 | Citizenship Ukraine

Academic degree (degree, specialty)	Doctor of Agricultural Sciences, specialty 06.03.01 – forest plantations and phytomelioration
Academic status	Senior Research Scientist
Office	head of the dendrology department in M.M. Gryshko National Botanical Garden NAS of Ukraine
Cathedra	-
Faculty/institute	-
Part-time position	Professor

Academic disciplines in teaching of which he participated:

This year	1. Dendrology , bachelor, 2nd year, lectures, laboratory classes 2. Forestry , bachelor, 2nd year, lectures, laboratory classes
In previous years	1. Ornamental dendrology , bachelor, 2nd year, lectures, laboratory classes 2. Assessment , bachelor, 3rd year, lectures, laboratory classes
In National Academy of Culture and Arts Management	Courses for full-time and part-time students: 1. Ornamental plant growing 2. Park science 3. Plant groups design

SCIENTIFIC AND SCIENTIFIC AND PEDAGOGICAL WORK EXPERIENCE

Period (start with the last one)	Stage (description)
2015 – 2018	Guidance to the applicant Tarabun M.O. (successfully defended her thesis in 2021). Sphere of activity or sector - education.
2010 – 2013	Guidance to the postgraduate Kolodiazhenska T.I. (successfully defended her thesis in 2014). Sphere of activity or sector - education.
2016 and to this day	Professor, Taras Shevchenko National University of Kyiv; Volodymyrska Street, 64/13, Kyiv, 01601, Ukraine; http://www.knu.ua/ . Sphere of activity or sector - education.
2006 – 2015	Professor, National Academy of Culture and Arts Management, Institute of Design and Landscape Art, Department of Landscape Architecture, Lavrska Street, 9, Kyiv, 02000, Ukraine. Sphere of activity or sector - education.
2013 and to this day	Head of the dendrology department, M.M. Gryshko National Botanical Garden NAS of Ukraine, Tymiriazivska Street, 1, Kyiv, 01014, Ukraine. Sphere of activity or sector - science.
2010 - 2013	Leading researcher, M.M. Gryshko National Botanical Garden NAS of Ukraine, Tymiriazivska Street, 1, Kyiv, 01014, Ukraine. Sphere of activity or sector - science.
2001 - 2010	Senior Research Scientist, M.M. Gryshko National Botanical Garden NAS of Ukraine, Tymiriazivska Street, 1, Kyiv, 01014, Ukraine. Sphere of activity or sector - science.

1998 – 2001	PhD student, M.M. Gryshko Central Botanical Garden NAS of Ukraine, Tymiriazievskya Street, 1, Kyiv, 01014, Ukraine. Sphere of activity or sector - science.
1992 - 1998	Senior Research Scientist, M.M. Gryshko Central Botanical Garden AS of Ukraine, Tymiriazievskya Street, 1, Kyiv, 01014, Ukraine. Sphere of activity or sector - science.
1990 – 1992	Researcher, Central republican botanical garden AS of Ukraine, Tymiriazievskya Street, 1, Kyiv, 01014, Ukraine. Sphere of activity or sector - science.
1988 - 1990	Junior Researcher, Central republican botanical garden AS of USSR, Tymiriazievskya Street, 1, Kyiv, 01014, USSR. Sphere of activity or sector - science.
1986 - 1988	Senior Engineer, Central republican botanical garden AS of USSR, Tymiriazievskya Street, 1, Kyiv, 01014, USSR. Sphere of activity or sector - science.
1983 - 1986	Postgraduate, Central republican botanical garden AS of USSR, Tymiriazievskya Street, 1, Kyiv, 01014, USSR. Sphere of activity or sector - science.

EDUCATION AND INTERNSHIP

Period (start with the last one)	Stage (description)
2012	State higher educational institution "National Forestry University of Ukraine".
	Doctor of Agricultural Sciences qualification has been acquired in the specialty 06.03.01 – forest plantations and phytomelioration "Ecological and biological bases of restoration of ancient parks of Polissya and Forest-steppe of Ukraine" .
1998 – 2001	M.M. Gryshko Central Botanical Garden NAS of Ukraine.
	Doctoral studies with separation from production, science consultant – professor Kuznetsov S.I.
1988	Botanical Garden AS Moldavian SSR.
	Candidate of Biological Sciences qualification has been acquired in the specialty 03.00.05 – botany: "Biological features of Rosaceae Juss. fruit families in connection with their use in ornamental plantations of the Forest-Steppe of the USSR".
1983 - 1986	Central republican botanical garden AS of USSR.
	Postgraduate studies with separation from production led by professor Kuznetsov S.I.
1976 - 1981	Ukrainian Agricultural Academy.
	Faculty of Forestry. Forestry engineer qualification has been acquired (honors degree).

PERSONAL SKILLS

Name	Level (description)
Native language	Ukrainian
Foreign language 1	French, candidate minimum
Foreign language 2	Russian
Organizational/managerial competence	Head of a scientific department
Other computer skills	Use of software to create presentations, posters, research results statistics processing, measurements of areas and lengths, editing of drawings and photographs.
Areas of professional interest	Park science, designing of new and reconstruction of existing parks, arboretums, botanical gardens and their expositions, dendrology, biological features of plants.

ADDITIONAL INFORMATION

Name	(titles of publications, presentations, projects, conferences, seminars, names of prizes and awards, memberships in academies, professional and scientific associations etc.)
Publications	<p>Total number – 199 (including monographs, reference books, textbooks, articles in encyclopedias, brochures, etc.), in the last 5 years – 26, including:</p> <ol style="list-style-type: none"> 1. Hryhorenko A.V., Klymenko Y.O. Age-old trees of Krasnokutskyi park (Kharkiv Oblast): condition, problems of preservation and restoration // Scientific Bulletin of National University of Life and Environmental Sciences of Ukraine. Series "Forestry and ornamental horticulture" / editors.: S.M. Nikolaienko (responsible editor) and others – 2017. – Issue 278. – P. 93 – 99. 2. Hryhorenko A.V., Klymenko Y.O. Short period changes in park plantations (on the example of Krasnokutskyi park (Kharkiv Oblast)) // Plant introduction. – 2018. – №3 (79). – P. 17 – 28. 3. Rubtsova O.L., Klymenko Y.O. Glades as an important element in landscape compositions by Doctor of Biological Sciences, Professor L.I. Rubtsov: [scientific book edition]. – M.M. Gryshko National Botanical Garden NAS of Ukraine. – Kyiv, 2019. – 36 p. (1,5 p.p.). 4. Horb V.K., Klymenko Y.O., Dovhaliuk N.I. Crown care systems' influence on decorativeness and longevity of <i>Syringa vulgaris</i> L. cultivars // Scientific Bulletin of National Forestry University of Ukraine: scientific works collection. Lviv, 2020, volume 30, № 4. P. 14 – 19. https://doi.org/10.36930/40300402 (doi: 10.36930/40300402) 5. Hryhorenko A., & Klymenko, Y. (2021).
