

# Curriculum Vitae

I.O.Rodionova

## PERSONAL INFORMATION

Iryna O. Rodionova

 2, Acad. Glushkova av., 03022 Kyiv, Ukraine  
 +380956970567  
 irodionova@ukr.net

[Account \(profile\) in scientific databases](#)

Sex F | Date of birth 10/10/1973 | Citizenship Ukraine

Scientific degrees (field)	Ph.D. (14.01.07 - oncology)
Academic titles	
Position	Associate Professor
Department	Internal Medicine
Faculty/Inst1itute	Institute of Biology and Medicine

## Courses in which was involved:

Current year	<ol style="list-style-type: none"><li>"Internal ailments", associate professor, 5<sup>th</sup>, 6<sup>th</sup> years, lectures, practical classes.</li><li>Educational Manufacturing medical work Practice with a break from training for 4th year students.</li><li>Webinars for doctors, lectures.</li></ol>
Previous years	<ol style="list-style-type: none"><li>"Internal Diseases", associate professor, interns of 1 and 2 years of study, OO Bogomolets National Medical University, Department of Therapy, Infectious Diseases and Dermatovenereology, Institute of Postgraduate Education.</li><li>"Thematic improvements for doctors" and specialization in "Therapy" of the OO Bogomolets NMU, Department of Therapy, Infectious Diseases and Dermatovenereology, Institute of Postgraduate Education.</li><li>"Propedeutics of internal medicine", associate professor, 3 course, lectures, practical classes.</li><li>"Internal ailments", associate professor 5<sup>th</sup>, 6<sup>th</sup> years, lectures, practical classes.</li><li>Educational Manufacturing medical work Practice with a break from training for 4th year students.</li><li>Webinars for doctors, lectures.</li></ol>

## CAREER/EMPLOYMENT

Period (starting from last)	Position
	Assistant Professor

From 2002 to 2015	Biology and Medicine Institute Science Educational Center of Taras Shevchenko National University of Kyiv, Volodymyrska street, 64/13, 01601, Ukraine, Associate Professor
Since 2020	Bogomolets National Medical University, Institute of Postgraduate Education, Department of Therapy, Infectious Diseases and Dermatovenereology, Kharkivske Shosse, 121, Kyiv, 03026, Ukraine, Associate Professor
From 2015 to 2020	Bogomolets National Medical University, Department of Internal Medicine №3, 13 Shevchenko Boulevard, Kyiv, 03124, Ukraine, Assistant of the Department of Internal Medicine №3.
Fro, 2002 to 2015	<a href="#">Area of activity</a> Education, medical work, scientific work

## EDUCATION AND TRAINING

Period (starting from last)	Position
10.10.2022-17.10.2022	The course by the SpecMedicalOPS Training Center and the Charible Foundation "Soloma Cats" at the levels of Combat Medic/Corpsman. 60 working hours according to the CoTCCC recommended plan.
22.08.2022-30.09.2022	The international internship "Soft skills development in teaching professional training" organized by Foundation "IIASC" and West Finland College Huittinen. Certificate№050/0922.
18.02.2022-15.03.2022	The international online-internship "Modern approaches to medical education in the content of global challenges and digital transformation of medical education", 72 hours. Certificate 00167.
08.11.2021	International advanced training (Webinar) on the topic: "Using opportunities of cloud services in online training with the use of Microsoft teams and office 365 platforms", the skills improvement program (webinar) is made up of 1,5 ECTS credits (45 hours), including 12 hours of lectures, 20 hours of practical sessions and 13 hours of self-study. ESN№85118/2021
July 2021	Scientific and pedagogical internship on the topic: "Improving the quality of medical education in Ukraine and the EU" in the field of knowledge "Health" in the amount of 6 credits (180 hours). Higher School of Information Systems Management (Republic of Latvia). ISMA certificate № MSI-213118-ISMA dated 31.07.2021.
(From 2001 to 2005)	Post-graduate student of the Research Institute of Pathology, Oncology and Radiobiology named after R.E Kavetsky National Academy of Sciences of Ukraine <a href="#">Qualification</a> Candidate of Medical Sciences, specialty 14.01.07 - oncology, dissertation topic - "Clinical-hematological and immunocytochemical diagnosis of tumors from mature B-, T-lymphocytes and natural killer cells in the stage of leukemia"
2003	Specialization in NMAPE named after Shupyk, Department of Hematology and Transfusiology <a href="#">Qualification</a> hematologist
(From 1998 to 1999)	Internship for the specialty "Therapy" NMU named after OO Bogomolets <a href="#">Qualification</a> physician
(From 1992 to 1998)	Studied at the Bogomolets National Medical University <a href="#">Qualification</a> medical busyness
(From 1991 to 1997)	Studied at the Taras Shevchenko University of Kyiv <a href="#">Qualification</a> biologist-geneticist is received

## PERSONAL SKILLS

Name	Level (description)
------	---------------------

Native language	Ukrainian
Foreign language 1	Russian, fluently
Foreign language 2	English, B2
Communicative competence	Good communicative skills were obtained due to participation in international scientific conferences
Computer skills	Usage of electronic databases for modeling biological macromolecule's structures and data analysis, usage of software for multimedia presentation preparation and digital image manipulation.
Professional skills (not mentioned above)	I have methods of cytological examination of peripheral blood, bone marrow, instrumental studies of bone marrow (sternal puncture, trepan biopsy)
Fields of professional interests	Diagnosis and treatment of diseases of the blood system. Diagnosis and treatment of pathology of the hemostasis system

#### ADDITIONAL INFORMATION

Item	Titles of publications, projects, conferences, awards and prizes, memberships in academies and societies etc.
